Christianstæd.

On Saturday the 9th Instant, departed this Life, the Reverend Doctor HUGH KNOX, aged 63, Pastor of the Presbyterian Church, and Physician; Eminent in, and an ornament to the former Profession, Judicious and suc-

cessful in the latter.—A Tender and affectionate Husband, the best of Fathers, a sincere, faithful, and firm friend, and an Universal lover of Mankind—Possessed of every Virtue which made him beloved and respected here, and we doubt not, happy hereafter—19 years was he a residenter in this Island, during which time he was anxiously employed in Promoting the Public and Private good of this Community; His whole life, when his Precarious Health wou'd permit, was a busy scene of Public and Private exertions for the welfare of his Fellow-creatures, and we flatter ourselves that his Christian endeavours have not been void of success.—Christian Fortitude and Resignation mark'd his last illness, and he met Death with a smile—his value was too well known to dwell longer on it here, and suffice it to say, that he was one of GOD's noblest Works.
