Notes of
Prayer.

"I tell you he will."
Luke 18.

1877. February 16. 1877. Prayer.

To day I petition for guidance in
Education of Mary and William.

1. Shall they be sent to U. S.
to attend College, and prepare for
future work by higher education

2. That the means may be pro-
vided: that two applications &
letter written, 14th to J. C. Wedderspoon
and Archibald McQueen may,
if God please, bring aid in this
thing.

3. That I may be able to pay pass-
age of David, Mary & William to N.
York in July - that he may resume
his studies & preach Christ. May I
be allowed to hear him.

1877 Feb 16. 1877. Results

1. To day Mary & Wm. & David have gone - W. Cit of Valp^o. to U.S. David is to select school & College for Mary - Sch^l. for Wm. & then Yale. It may be Bacon Acad. Colchester; or Newburyport.

Aug. 26. Thursday 1880. Have prayed this morning
specially for two objects

1. That God may direct Stephen to choose a
profession in wh he may be useful - the
Ministry of the Gospel, to work for his Redeemed;
that he may feel indebtedness & oblig^{ed} to him
more & consecrate so anew. O, God in-
cline him to preach Christ.
2. That I may obtain a right view of my
circumstances wh. whether

(1) to return to Vash^o to my Church;
O, Lord give me health to do the
work there; or

(2) to remain here & take up Missⁿ
organization for W. Coast.

The first of these is the fact that the
population of the country is increasing
at a rapid rate. This is due to a number of
causes, including a high birth rate and a
decreasing death rate. The second cause is
the fact that the country is becoming more
industrialized. This is leading to a
shift in the population from rural to
urban areas. The third cause is the fact
that the country is becoming more
developed. This is leading to a
shift in the population from the
interior to the coast. The fourth cause is
the fact that the country is becoming
more open to the world. This is leading
to a shift in the population from the
interior to the coast. The fifth cause is
the fact that the country is becoming
more open to the world. This is leading
to a shift in the population from the
interior to the coast. The sixth cause is
the fact that the country is becoming
more open to the world. This is leading
to a shift in the population from the
interior to the coast. The seventh cause is
the fact that the country is becoming
more open to the world. This is leading
to a shift in the population from the
interior to the coast. The eighth cause is
the fact that the country is becoming
more open to the world. This is leading
to a shift in the population from the
interior to the coast. The ninth cause is
the fact that the country is becoming
more open to the world. This is leading
to a shift in the population from the
interior to the coast. The tenth cause is
the fact that the country is becoming
more open to the world. This is leading
to a shift in the population from the
interior to the coast.
